1-11-2019

Hello,

We would like to invite you to be a part of the second annual Mountain Valley Stomp, blues festival, on **August 10, 2019 at Mountain View Campground, in Dixfield Maine.**

The purpose of the Mountain Valley Stomp is to promote blues music as a uniquely American art form and to attract people from around the greater state of Maine and beyond to the River Valley area; introducing its natural beauty and businesses, and contributing to a local charitable cause.

The festival will include Maine based bands with a focus on blues and roots music..

The goal of this years festival is also to contribute towards the development of the new [Larry Labonte Recovery Center](#), in Rumford, Maine, offering a safe, non judgmental place to find resources for Mental Health and Substance Abuse Support.

We are looking for businesses and organizations to help us make this event truly special for our community, the performers, and the fans. As a leader in the greater Maine community, your involvement would help promote the celebration of the music made in our beautiful state and promote the positive growth of Maine communities.

I hope that you are interested in joining our effort to promote blues music and draw its fans to the River Valley area of Maine and its businesses and causes.

We have the following sponsor packages:

The Paul Bunyan – a \$200.00 Sponsorship ensures the sponsor:
internet mentions on social media, advertisement from the stage, and a listing on the website,
